## *brand elevation?*

Brand elevation. Surfing the net for new ideas?

Want to push design boundaries further?

Finding it a slow, costly process? Be inspired by the inventive work of the designers presented here.

## *inspired?*

Inspired. Within a few pages you will be.

Cancel that holiday, infect your co-workers with enthusiasm.

Start those visionary projects today!

## *competition?*

Competition. Of course you could

leave it to your rivals to work with us.

But that would not be inspired.

## vision?

Vision. Or you could let us help you enhance your chances ready for the next pitch. Fax a thumbnail sketch of your idea and we'll respond by providing alternatives.

2D to 3D, let us help.

## *wild?*

Wild. Be daring in your spec,

change materials, inflate materials, weld materials.

We provide the know-how, the samples, the prototypes,

the proofs and the cost options.

Bounce your thoughts.

## *revolution?*

Revolution. We can provide a multitude of opportunities for revolutionising your designs.

Not tomorrow, but today.

Packaged and delivered, deadline met.

## *polish?*

Polish. Some presentations demand it.

To work with metal you need sound product design, that is engineering based.

We provide you with both.
